LEADERSHIP THAT'S SO FETCH
HUGH O'BRIAN YOUTH LEADERSHIP OHIO SOUTH
2021 VIRTUAL LEADERSHIP SEMINAR JUNE 12-13

ON BEHALF OF THE ENTIRE HUGH O'BRIAN YOUTH LEADERSHIP OHIO SOUTH VOLUNTEER COMMITTEE, WE ARE PLEASED TO WELCOME YOU TO OUR ANNUAL LEADERSHIP SEMINAR!

Months of planning and hard work have gone into making this experience one that you will remember for a long time. Many people have contributed their money, time, and resources to create this experience for you. We hope you will learn, grow, stretch your mind, question, make lasting friendships, and have FUN while you are here!

You were selected because others see something wonderful in you. Starting now, you are a leader. We will not provide conclusions to you; we want you to think for yourself. Take advantage of this opportunity to question your thoughts, share your ideas with others, and get answers to questions regarding your role in our state and your future.

We have assembled terrific individuals from various professions who will speak to you about the challenges and joys of being leaders in their fields. We encourage you to ask questions and learn from their different perspectives. We have also planned activities to prepare you for being a leader – you will learn and experience what you can do right now to make your own community better.

While our volunteers and speakers will contribute greatly to the success of the seminar, the biggest contributing factor will be YOU – your attitude, your willingness to go beyond your past beliefs and behaviors, your participa-

tion, and what you will give to each other. Open yourself to the people around you this weekend. Learn from one another and discover the unique contribution you can make. Our world faces challenging times ahead and leaders are needed! Continually ask yourself—how can I make a difference in my community, my state, my country and the world? Use this opportunity to start answering that question. Approach this weekend with enthusiasm and you will not be disappointed.

We hope you enjoy yourself and apply what you learn from this weekend to your life. On Sunday, you will become HOBY Alumni. You will join thousands of young people that have come before you in this unique and honored title, and you will have a special responsibility to be a leader and make a difference wherever you go. Congratulations! This weekend, and your life, will be what you make it... and you can make it great!

DEDICATION

After what has easily been the most challenging year globally, we dedicate our 2021 program to our incredible volunteer staff.

They have continued to show up and support HOBY Ohio South and proved that no challenge is too big that we can't overcome it when we support one another; we could not have provided this program for our ambassadors without their love and commitment. We are beyond grateful for their willingness to spend their time planning and executing a virtual HOBY seminar, especially when we are all missing each other and real-life HOBY hugs.

We are humbled by the generosity and selflessness of our volunteers; words cannot express our gratitude and we anxiously await the day we can all be together again.

THANK YOU FOR EVERYTHING YOU DO THAT HELPS US ALL TO SHINE!

MISSION

To inspire and develop our global community of youth and volunteers to a life dedicated to leadership, service and innovation.

ONE OF THE BEST THINGS THAT HUGH O'BRIAN YOUTH LEADERSHIP (HOBY) DOES IS IT LABELS EVERY STUDENT WHO ATTENDS THE CONFERENCE A LEADER, WHETHER THEY'VE EVER CONSIDERED THEMSELVES ONE BEFORE OR NOT.

SECOND THING IT DOES IS IT ALLOWS SOPHOMORES, POSSIBLY FOR THE FIRST TIME IN THEIR LIVES, A CHANCE TO LEAVE BEHIND EVERYONE'S IDEAS OF WHO THEY ARE. FOR THAT WEEKEND... THEY'RE COMPLETELY FREE TO COME UP WITH THEIR OWN DEFINITION OF SELF...”

James Van Der Beek

Actor + 1993 HOBY Alumnus

Hugh O'Brian was born April 19, 1925 in Rochester, New York. At 17, he became the youngest drill instructor in Marine Corps history, but found his true passion was acting. O'Brian gained national fame and notoriety with his portrayal of frontier lawman Wyatt Earp in "The Life and Times of Wyatt Earp." This top-rated television series ran from 1955-1962 and made O'Brian an overnight success. After the series ended, O'Brian went on to other acting projects in film, television, and Broadway while devoting the rest of his time to HOBY.

The honors and awards he has received from his work with HOBY are numerous. In 1983, the National Society of Fund Raising Executives honored him with their premier award for overall philanthropic excellence as a volunteer, fundraiser and philanthropist. This is the only time one individual has received the award in all three categories. In 1989, he received the 60th Annual American Education Award presented by the American Association of School Administrators. O'Brian joins Norman Rockwell, Lyndon Johnson, Helen Keller, Walt Disney, and Bob Hope as a recipient of this most significant award. Mr. O'Brian died on September 5, 2016 at the age of 91.

In the summer of 1958, Hugh O'Brian received the invitation that would change his life forever. At the time, O'Brian had already made a name for himself as an actor portraying the legendary lawman Wyatt Earp on television and appearing in numerous films. When he received a cable from Dr. Albert Schweitzer welcoming him to French Equatorial Africa for a visit, he did not hesitate to accept. O'Brian had long admired the German doctor-missionary-theologian-musician, and within two weeks he arrived at Dr. Schweitzer's remote hospital complex in Africa. During his visit, O'Brian spent his days assisting the volunteers in the hospital and his nights with Dr. Schweitzer discussing global peace and world politics. During their discussions, Dr. Schweitzer told O'Brian that he felt "The most important thing in education is to teach young people to think for themselves," which O'Brian would never forget.

After an inspiring nine days, O'Brian prepared to return to America. Before saying goodbye, Dr. Schweitzer took O'Brian's hand and asked, "Hugh, what are you going to do with this?" It was these words combined with his unforgettable visit that compelled Hugh O'Brian to form Hugh O'Brian Youth Leadership (HOBY). Two weeks after returning from his 1958 visit to Africa, O'Brian put together a prototype seminar for young leaders.

From 1958 to 1967, leadership seminars took place in Los Angeles for sophomores from California. In 1968 the scope of the HOBY program grew to include national and international participants which led to the expanded eight-day global leadership seminar called the World Leadership Congress (WLC) held annually. In an effort to include more students nationwide, three-day

and four-day HOBY Leadership Seminars were instituted in 1977 in which high schools throughout the country may nominate a sophomore to attend a HOBY seminar in their state.

Six decades later, HOBY is still inspiring young people all over the world to develop their leadership and critical-thinking skills to achieve their highest potential. Currently, more than 10,000 tenth graders, representing almost as many high schools nationwide, attend HOBY Leadership Seminars each year. These seminars are run by over 4,000 volunteers with community leaders, business executives, educators, and parents involved in every seminar. Each seminar strives to follow the HOBY motto of teaching students, "how to think, not what to think," thus ensuring that Dr. Schweitzer's hope for young people lives on.

HUGH O'BRIAN: VISIONARY, LEGENDARY HUMANITARIAN

“ I DON'T KNOW WHAT YOUR DESTINY WILL BE, BUT ONE THING I DO KNOW... THE ONLY ONES AMONG YOU WHO WILL BE REALLY HAPPY ARE THOSE WHO HAVE SOUGHT AND FOUND HOW TO SERVE.” *Albert Schweitzer*, 1952 Nobel Peace Prize Winner

HIS LASTING LEGACY

In 1958, Mr. O'Brian was privileged to spend nine inspirational days with the great humanitarian and 1952 Nobel Peace Prize Winner Dr. Albert Schweitzer at his clinic in Africa. Dr. Schweitzer's strong belief that "the most important thing in education is to teach young people to think for themselves" impressed O'Brian. Upon his return to the United States, he put Schweitzer's words into action by forming Hugh O'Brian Youth Leadership (HOBY), a non-profit organization. Its format for motivation was simple: bring a select group of high school sophomores with demonstrated leadership abilities together with a group of distinguished leaders in business, education, government, and the professions, and let the two interact. Using a question-and-answer format, the young people selected to attend a HOBY Leadership Seminar held each spring in their state get a realistic look at what it takes to be a true leader, thus better enabling them "to think for themselves."

Today HOBY offers multiple leadership development programs for high school students based on the Social Change Model of Leadership and incorporating community service. Community Leadership Workshops (CLEWs) are held each year locally for freshmen. HOBY State Leadership Seminars for sophomores are held throughout the United States every spring. The World Leadership Congress (WLC) for rising juniors is held each summer in July at a major university in the U.S. and invites students from around the world to participate. HOBY style programs are also conducted in Canada, China, South Korea, Hong Kong, Iraq, Mexico, the Philippines, Taiwan, Turkey, Uganda, and the United Kingdom. The cultural differences that exist between countries of the world are explored in friendship by the American students and their international counterparts when they come together at the WLC. The HOBY experience is truly an inspirational event of a lifetime for student leaders. HOBY boasts more than 500,000 alumni worldwide. Its alumni programs include international tour and service trips for high school and college students.

Each program year, Mr. O'Brian wrote this message to the current year's ambassadors and we pass it on to all of you.

I DON'T HAVE ANY CHILDREN OF MY OWN, BUT I'VE GOT A COUPLE OF HUNDRED THOUSAND LIKE YOU OUT THERE WHO I'M PROUD TO CALL MY FAMILY. SO, SHINE BRIGHT MY FRIENDS; YOU ARE ALL MY TOMORROWS, AND THE FUTURE IS YOURS TO MAKE OUTSTANDING!! I WISH YOU LOVE AND GODSPEED!"

The curriculum for this Leadership Seminar is based on HOBY's vision to motivate and empower individuals to make a positive difference within our global society. HOBY believes students like you represent the future leaders of the world – leaders in business, education, government, or any field you choose – because YOU are someone who will make a difference. By developing and understanding effective and compassionate leadership, we hope you will be able to realize your leadership potential, and take action in your homes, schools, workplace, communities and the world.

Your HOBY experience will help you develop leadership from three perspectives:

PERSONAL LEADERSHIP

GROUP LEADERSHIP

SOCIAL RESPONSIBILITY

We will focus on your individual growth in order for your leadership to make a better world and a better society for yourself and others.

Everyone at HOBY believes in your ability to be a leader and affect the future for all of us.

Throughout the Seminar, we want you to engage in the HOBY Active Leadership Cycle. This is a process that can be applied throughout your life. The cycle: Learn - Act - Reflect - Innovate, is a process for developing your leadership skills and, truly, any kind of personal development. You learn about or how to do something, you act on what you learn, you reflect on what went wrong or what can be adjusted, and you make changes, or innovate, and try again.

So, stand out and be outstanding! Show us who you are and what you can do. HOBY is your open door to a life of leadership and service. We can't wait to learn what potential you will unlock through HOBY.

HOW WILL YOU LEAD THROUGH SERVICE?

LEADERSHIP FOR SERVICE: HOBY'S COMMITMENT TO VOLUNTEERISM

As you will learn this weekend, one of the most powerful ways to show leadership is through service to others. HOBY believes so strongly in the idea of servant leadership that we answered the call and created an initiative that challenges all Ambassadors to continue their HOBY experience long after the seminar concludes. Leadership for Service (L4S) is HOBY's service-leadership program intended to prepare young people to contribute to their communities through service-learning and volunteerism.

The objectives of Leadership for Service are:

- To inform Ambassadors about the role and impact of community service;
- To facilitate setting short-term community service goals;
- To provide opportunities to connect with community service organizations; and
- To provide documentation of program impact and effectiveness.

Each Ambassador is challenged to return to his/her/their community and conduct at least 100 hours of community service in the year following the HOBY Leadership Seminar. Ambassadors are asked to make a year-long commitment to strengthen their communities through volunteerism, and to track their success by logging their hours on the HOBY website, www.hoby.org in the Alumni section. Since the implementation of HOBY's Leadership for Service program in 1998, participants have logged over 4 Million volunteer service hours.

Through HOBY's Leadership for Service programs, Ambassadors gain the tools, passion and commitment to serve others. To help young people realize the personal and social benefits of volunteerism and service, HOBY awards each Ambassador who successfully completes and logs 100 hours a special recognition packet, which includes recognition by the White House and the President's Student Service Award.

Each September, HOBY Registration Kits are sent to over 22,000 public, private, and charter high schools in the United States. All tenth graders are eligible for selection to attend one of the three- or four-day weekend seminars held in their area each spring. A sophomore leader may be selected by each school and is certified by the principal.

HOBY seminars focus on teaching students how to think, not what to think, while encouraging young leaders toward responsible citizenship, including community service and volunteerism.

WORLD LEADERSHIP CONGRESS

HOBY's largest and longest running youth leadership event, the World Leadership Congress (**WLC**) is the next step on your leadership journey. You'll build your leadership skills with over 450 other young people from across the United States and around the World.

The WLC is a weeklong event, where you'll participate in an interactive educational program that includes hearing from top leaders in a variety of fields, hands-on workshops, community service projects and of course, some fun!

This year's World Leadership Congress is currently scheduled to be a hybrid event, July 25-31. By participating in your HOBY Leadership Seminar, you are now eligible to attend the 2021 or 2022 World Leadership Congress.

This program is only available the two summers immediately following your leadership seminar, so you'll want to act fast as space goes quickly and we do sell out each year. For more information on the WLC, visit www.hoby.org.

THE FREEDOM TO CHOOSE

Unfortunately, a very small number of our young people seem to attract most of the news. They are in the public eye because they have stolen cars, vandalized schools, created disturbances – in some way rebelled against society. These headline-makers represent only a small part of our teenage population. It is a fact that 98.7 percent of our young people are law-abiding, constructive citizens. There is too much focus on the negative. It is time

we accent the positive – pat the good guys and gals on the back – let them know there are rewards for being responsible members of the community.

I do NOT believe we are all born equal – CREATED equal in the eyes of God, YES – but physical and emotional differences, parental guidance, varying environments, being in the right place at the right time, all play a role in enhancing or limiting an individual's development. But I DO believe every man and woman, if given the opportunity and encouragement to recognize his or her own potential, regardless of background has the Freedom To Choose in our world. Will an individual be a taker or a giver in life? Will that person be satisfied merely to exist, or seek a meaningful purpose? Will he or she dare to dream the impossible dream?

I believe every person is created as the steward of his or her own destiny with great power for a specific purpose to share with others, through service, a reverence for life in a spirit of love.
